

GENERAL MANAGER'S REPORT

Date submitted: April 17, 2025

IT Penetration Test

The report on the testing to identify potential vulnerabilities in the security of our customer web servers is expected by April 30, 2025.

RFP – Ten (10) Bus Shelters

The successful bidder for the provision of ten (10) bus shelters was Daytech Limited. Daytech is the supplier of the shelters we currently have. The ten new shelters will be the same design.

Vans – GoBus

In February, the Commission approved the purchase of two mini vans for GoBus to add capacity in light of increasing demand. One van, a hybrid Toyota van, has been purchased to be delivered in May. Efforts are continuing to source a second one.

On-Demand Buses

Two of the three new buses ordered for the on-demand service arrived yesterday. The third bus is expected to arrive today. The buses will be prepared for service over the next few weeks.
